

## Group Splits On Rezoning Of District

### Moves to Reclassify Lots for Duplex On Avenue

In one of the most "Peppery" sessions held recently, the City Council again faced the problem of rezoning Solano Avenue for a width of 200 feet from Jackson to Pierce Streets last Monday night and acted in a manner that left spectators puzzled.

After listening to Irving Liner, attorney representing residents who opposed the change to second residential, Councilman George Batchelder moved to table the rezoning measure. There was no second to his action.

Councilman Frank Hays shortly thereafter made a motion to pass the reclassification measure for the entire district. Seconded by Councilman Benjamin Mowday, the action was approved by a 3-2 vote. Councilman Vincent Hanahan also concurring.

#### EXPLAIN VOTE

Their negative vote, explained Mayor O. C. Yenne and Councilman Batchelder, resulted from further consideration of the plan and the fact that the percentage of protestants originally shown was erroneous.

Chief result of the action by the council will be that City Attorney C. N. Lavers has thus been instructed to draw up an ordinance, the passage of which is definitely in doubt. Apparently more than 20 per cent of the residents in the district disapprove of the proposal and a four-fifths vote of the council would be necessary to override this opposition according to the city charter.

His clients do approve of rezoning parcels of land as needed for specific purposes, Liner revealed as he suggested that lots on the northwest corner of Jackson Street and Solano Avenue be reclassified to permit construction of a duplex building.

#### PERMIT DUPLEX

On motion of Councilman Batchelder, the council next voted unanimously to rezoning this particular piece of property. City Clerk H. W. Brewer was instructed to send out the necessary notices to residents concerned. A hearing is to be held soon as possible, to allow the owners, Mrs. Estelle Stringer and Harry Stringer of Oakland, to start construction with the least delay.

A further suggestion by Liner that a committee of citizens from the district be appointed to confer with the Park, Planning and Zoning Commission on each rezoning application, was decided by Mrs. Beatrice Raymond, realtor and president of the Albany Chamber of Commerce.

She said: "These matters are up to the Planning Commission. If it can't decide them, we need a new one!"

#### SEEK REFUND

In the opinion of City Attorney Lavers, Albany has no choice but to turn over to the County all fines and forfeitures collected for traffic violations on the East Shore Highway when the arrests are made by state officers. Councilman Hanahan pointed out that since Albany has not yet given the state permission to patrol the road as was asked, it may therefore be entitled to part of the money now being held by the City Treasurer.

A period of two weeks was allowed in which the possibility of such a refund will be sounded out.

Councilmen Hanahan and Mowday were named by Mayor Yenne to draw up specifications for one or more cars to be purchased for the Police Department.

## Son Is Born to Mrs. O. L. Roberts

It was a husky boy at the home of Mr. and Mrs. O. L. Roberts, 1197 Curtis Street Wednesday afternoon, the father was proudly telling his friends yesterday.

The new arrival weighed 10 pounds, according to Roberts, manager of the Albany Super Service Station, Washington and San Pablo Avenues. Dr. D. C. Hart of Oakland was the attending physician.

The couple have one other child, James Allen, three years old.

## Crash Injures Three Friday

Their car demolished when struck by a Southern Pacific train at Solano and San Pablo Avenues, three persons were treated at Humboldt Hospital last Friday afternoon for cuts and bruises.

Injured were Mr. and Mrs. S. L. Lee, and the latter's aunt, Mrs. Nora Lee, 77, all from Fallon, Nevada.

The people were en route to San Francisco at the time of the accident, where Mrs. Piper was to enter a hospital for treatment, and apparently drove in front of the eastbound train, according to witnesses.

In charge of the train was Sterling S. Woods, motorman living at 1024 Benvenue Avenue, Berkeley.

The car was removed to the Murphy Chevrolet Company and was completely wrecked, according to the report of Police Chief John Glavinovich.

## Citizens Warned Of Danger From Infected Dogs

Although no cases of rabies-infected dogs have been found recently in Albany, a word of caution was issued this week to all residents by Dr. Douglas Ream, acting health officer.

Local dog owners are urged to take every precaution to make sure that their pets do not come in contact with animals infected with the disease.

Other persons are advised to be more careful than usual to avoid being bitten by dogs and to have such wounds properly attended to if incurred.

Several cases have been reported from Berkeley and other nearby cities, the physician said.

It was also announced that a venison stew will be served after the next meeting. The meat was given the Post by A. F. Peters, local humane officer and will be prepared by H. L. McDuffee, aided by Houser and Mayor Yenne.

## Girl Artists Will Appear

Alice and Her Top Hatters, famed juvenile orchestra of this city, will make a professional appearance tonight at the Rivoli Theatre in Berkeley, it is announced. Featured will be Buddy Meads, capable Albany songster, the only male member of the group.

This recently organized girls' orchestra, sponsored by the Albany recreation department under the direction of Supervisor Edwin Howell, has been asked to tour with Hal Morris, master of ceremonies, during the next month. The following girls make up the orchestra: Alice Blim, piano; Carmelita Mendes and June Blim, trumpets; Ruth Robertson and Nancy Johanknecht, saxophones; Beverly Wann, bass viol; Marjorie Conklin, drums.

In their white uniforms and top hats, the girls make a striking appearance, it is said. Much praise has been accorded their fine, sweet music.

Returning late Sunday night, 25 members of Boy Scout Troop No. 46 told of their successful four-day outing at Cloverdale. They were in charge of Scoutmaster George Rutan.

Mrs. Bessie Jacobsen, member of the Rainbow Harmonica Club, announces that it will appear before one of the Townsend Clubs of Oakland on August 23.

## "Hung" Jury Dismissed in Driving Case

After an hour's deliberation Tuesday afternoon, the jury of four women and eight men trying Rexford X. McGee, 824 Jackson Street, on the charge of reckless driving with resultant bodily injury, found it impossible to agree and were dismissed by Judge Louis Hardie.

Two ballots were taken, it was said, with the jurors voting 8-4 for acquittal.

McGee was charged by the State Highway Patrol as the result of an accident on the evening of July 4 on the East Shore Highway, when he drove his car into the rear of one being driven by Ernest Prosser, 2316 Sacramento Street, Berkeley. Prosser and his companion, Mrs. Alberta Patterson, also of Berkeley, suffered minor injuries.

According to Prosser's testimony he was driving between 15 and 20 miles an hour at the time of the crash. He and Mrs. Patterson were slightly injured and claimed that McGee failed to take them to a hospital for treatment, although the latter's attorney, Herbert Johnson, declared that this was not a fact. Riding as passengers in McGee's car were Mr. and Mrs. Manley Gough, 1147 Solano Avenue.

Stressed by Johnson was the slow rate of speed of Prosser's car on the highway which constituted a menace, he charged.

The prosecution was handled by Arthur Sherry, deputy district attorney. The lawyers exhausted the list of 40 prospective jurors before accepting 12.

McGee was ordered by Judge Hardie to appear for re-arraignment on August 24. At this time, according to Sherry, the charge will either be reduced to simple reckless driving or will be dismissed altogether.

## Youths Hurt In Accident

As a result of a collision between a motorcycle and an auto at Marin and Santa Fe Avenues Tuesday afternoon, Edward Deal, 16, of 1054 Kains Avenue, is confined to his home with a fractured left leg. His passenger, William Dobbis, 1221 Marin Avenue, suffered facial abrasions.

The accident occurred as the youths, moving east on Marin Avenue, collided with the car driven by Dr. Robert Hector, 820 Arlington Avenue Berkeley. In his report to local police, Doctor Hector said that he had been driving south on Santa Fe Avenue and was making a left-hand turn at the time of the crash.

The boys were treated at Humboldt Hospital by Dr. M. J. Lacey, after being taken there by ambulance. Deal remained in the hospital until yesterday morning while his companion was discharged the same afternoon.

## Vacation Crash Injures Woman

Mrs. Dorothy Elliott of 615 San Carlos Avenue, who sustained a broken nose and other injuries as the result of an automobile accident which occurred in Long Beach, is now convalescing in a hospital in that city.

Mr. and Mrs. Elliott left several weeks ago for Los Gatos where they visited the latter's parents and, after leaving their sons, Allen and Buster, there for a visit, continued to the southern city.

When Elliott learned that his wife was out of danger he returned to Albany last week, bringing his two sons home with him. It will probably be two weeks before Mrs. Elliott is able to return, he said.

Mr. and Mrs. Milton E. Noe and children, Leslie, Miletta and Norma, have moved from 1040 Ramona Avenue into their new home at 508 Masonic Avenue. The new residence was recently purchased from C. M. MacGregor.

## Officer Talks To Rotarians

That the bulk of arrests made on the Bay Bridge is for drunken driving and recklessness, was revealed to members of the Rotary Club last Monday noon by Richard White, State traffic officer. He was introduced by Neil Crowley.

White also pointed out that the State Highway Patrol has no telephone boxes along the East Shore Highway in either Albany or Berkeley, a fact that causes considerable delay when it becomes necessary to summon an ambulance or in other emergencies.

He was informed by Mayor O. C. Yenne that pass-keys to fit this city's police telephone boxes would immediately be given the State officers. This will enable them to use the local facilities as needed.

The meeting was presided over by Alton Gould, serving in the absence of President Kenneth Glines.

## Refund Given To Oaklander In Speed Case

Because he had missed a day's pay on July 28 by appearing here in the morning instead of at night, Manuel J. DaCunha of Oakland received a rebate from Judge Louis Hardie at Wednesday night's court session.

DaCunha, a househusman living at 2616 Adeline Street, was arrested on July 17 on the East Shore Highway for traveling 58 miles an hour. He later posted \$8 bail and, by error, showed up for a morning session of court, thereby losing \$5 in wages. The court refunded that amount.

Arrested by Officer John Viarenga on August 5 for doing 40 miles an hour on San Pablo Avenue, James Bruce Gordon entered a plea of guilty and paid a fine of \$5.

"I thought this was the State highway," was Gordon's excuse. He lives at 3500 64th Avenue, Oakland.

#### ACCEPTS EXCUSE

Confusion over the Southern Pacific Company's signal and that of the City on the southeast corner of Solano and San Pablo Avenue, was blamed by Omar Marley for his arrest by Officer Frank Davis on August 4 for passing the traffic control light.

He had observed the bewildering effect of the two lights, he said, and had then driven east on Solano for two blocks when "to my dismay Officer Davis appeared." After pleading guilty, he offered the suggestion that "something should be done" about the conflicting lights.

Judge Hardie, after hearing that this was Marley's first arrest in 25 years of driving, announced he would suspend judgment in the case. Marley resides at 442 Vermont Avenue, Berkeley.

As the aftermath of a collision on June 5 in which his parked car was damaged, Louis Piziali of El Cerrito appeared to sue Don Saylor, 1030 Curtis Street, for repairs amounting to \$14.

#### DENIES DRIVING

Saylor declared, despite testimony by two witnesses that he was driving at the time of the accident, that Mrs. Saylor had been at the wheel. She is the legal owner of the vehicle.

Piziali's car was parked on the left-hand side of Sacramento Street, El Cerrito, when the Saylor auto admittedly crashed into it. The local man also brought out the fact that the parked car was facing in the wrong direction.

After consideration, the judge announced that he would render his decision later.

The case of C. W. Weable, charged with stealing the car of Oliver Nelson, hardware man, on August 4, was continued until Tuesday morning at 9:30 o'clock.

## Maccabees to Hold Picnic

As in the past, local Maccabees are taking a big part in preparations for the annual picnic of Alameda County lodges, according to Fred Walters, commander of Albany Tent.

This year's affair, the fourteenth will be held on Sunday, August 22, at La Honda Bowl in Contra Costa County.

Among the many attractions listed are the outdoor swimming pool, the half-mile boating canal, and the dance floor situated under the trees. Games, races and other contests, with handsome awards, will again be held.

Tickets should be purchased from members of the local Tent or Hive, said Walters, since each unit receives credit for the tickets it disposes of.

## Plan Big Time At Wilson's

It'll be a happy, care-free party tomorrow night, the last event in the present location, promise Dave and Eva Wilson, operators of Wilson's, 663 San Pablo Avenue.

Bales of hay will be strewn about the place and a real old-time barn dance will be presented. The couple even went so far as to suggest that friends could bring their horses with them!

Old clothes will be the order of the evening, the invitation says. Music and songs of all kinds, ranging from modern "swingtime" to the ballads of years ago, will be offered during the evening.

After three years of business at the present address, the popular pair wish to present a "moving" party that will be entirely different and the affair tomorrow night is the result.

The new ultra-modern site of Wilson's, Wall Street and San Pablo Avenue, El Cerrito, will be opened on August 28, they announced.

## August Permits Total \$19,500

Building permits from August 1 to 12 totaled \$19,500, reveals Jack O'Leary, acting building inspector. Of this amount \$17,400 will be spent for the construction of five new homes in this city.

Four of the homes are being constructed by C. M. MacGregor, it was learned. These are to be built at 1150 and 1152 Garfield Avenue, 714 Talbot Avenue and 617 Stannage Avenue. O. Grwell is the owner of the other home, to be built at 1118 Masonic Avenue.

The rest of the permits were for alterations and construction of garages.

## Mothers Discuss New Play Center

Enthusiastic members of the Play Center Mothers Club held their second bi-weekly meeting on August 4 to make plans for the new location of the facility in the Recreation Center on Masonic Avenue near Solano Avenue.

Problems of raising funds for needed equipment were taken up and, also along with other plans, the idea of setting a monthly membership fee of 25 cents was adopted. This money is to be used to buy fruit juice for attending children, with any surplus to be set aside for whatever equipment can be secured.

Any labor needed for the erection of equipment will be supplied by WPA, it was learned.

Wroth because a recently-issued map of this district did not mention Albany, the local Chamber of Commerce took steps at its board of directors meeting last Friday night to correct the error.

Secretary A. B. Taveira was instructed at that time to write to the California State Automobile Association, who had prepared the map for newspapers, to find out why this city of over 15,000 persons was completely overlooked.

This week the following reply was received from W. A. Moore, manager of the Oakland district: "I hasten to acknowledge receipt of your letter of August 6th, which I read with interest."

"I am enclosing a copy of our East Bay Cities Map, and you will find that your city is prominently located, showing your boundary line as Cordones Creek located north of Harrison Street, which is about the City Limits of Albany at San Pablo Avenue."

"I feel certain that the newspaper running the map you speak of, must have done so without our permission, and I would be very much pleased to receive a copy of the paper you found this map in, and I will be glad to take it up with the proper authorities and have the matter corrected."

"You may be sure, that we do appreciate that the City of Albany is one of the East Bay's coming cities with its population of some 15,000, and for your information, we have three of our representatives and their families living in Albany, who are a part of the number."

#### PRESIDENT ANSWERS

In reply Mrs. Beatrice Raymond, head of the local group, prepared a letter enclosing some of the score or more clippings which she had received from residents of this city. Since Moore had expressed by telephone his willingness to discuss the mistake with members of the chamber, Mrs. Raymond named Postmaster F. M. Whiting, Max Etingoff and Judge Louis Hardie to confer with him.

Other organizations which have issued maps that showed merely a gap between "Berkeley" and "El Cerrito," have also been notified of their carelessness, Mrs. Raymond announced.

Action in the matter on the part of the City Council is being handled by Mayor O. C. Yenne, she declared.

The board of directors also welcomed the applications of three new members of the group: Wimpy's Brite Spot, 943 San Pablo Avenue; A. L. Ford, president of the Albany Traffic Safety Commission; and Walter E. Teasdale, insurance man living at 1015 Ramona Avenue.

## Rev. W. J. Loar to Speak on Sunday

Albany friends will again have the pleasure of meeting and hearing Rev. Willis J. Loar, former pastor at the Albany Baptist Church, as he appears Sunday to conduct the two services.

The minister is now here on a vacation from his pastorate at Dillon, Mont., and is accompanied by his wife and young daughter.

The local church has also announced that Rev. and Mrs. Lawton Albert Wilson of Montana have been selected to fill the vacant pulpit here and will take up their duties September 1.

## Woman Recovers

The many friends of Mrs. C. R. Kranz, who underwent an operation at the Jackson Lake Hospital in Oakland the latter part of last week, will be pleased to know that she is now on the road to recovery.

### Birthday Party Honors Miss Ellis

Her birthday last Sunday provided the occasion for a colorful dinner party for Miss Yvonne Ellis, daughter of Mr. and Mrs. James J. Ellis, 727 San Pablo Avenue.

The affair also served as a pre-vacation party for Miss Ellis and her daughter, who left Monday for a week's stay in Los Angeles, accompanied by the former's mother, Mrs. Elizabeth Petersen of Oakland.

Others present at the party included Mrs. Petersen, Raymond Harrison, Mrs. Lillian Christiansen and son, Bobby; Miss Beatrice Carbone, Miss Orma McLarty, Miss Olive Otten, Fred Walter, George Jacobsen, Alden Thorgood, C. E. Morris, William Walter, and Robert Petersen.

### Hold Regular Meeting

#### Miss Maccabees

Mrs. Nell Matthews, past commander of Albany Hive of Maccabees, presided at the last regular meeting, Wednesday evening, August 4, as the new commander, Mrs. Celia Savio, is now away on a vacation.

The agenda of the evening included the report on the whist party held that afternoon under the direction of Mrs. Florence Tavela. Enough persons to fill seven tables were on hand.

Among the coming events announced was the initiation of Mrs. Blanche M. Thorogood which will take place at the next regular meeting, on the evening of August 18. Mrs. Matthews requested that the officers wear white for this occasion and arrive early for a rehearsal.

Mrs. Mary Watts received the award given that evening.

An interesting innovation will be the portraits of past commanders which will be hung in the hall. Sir Knight Lisle Green will take the pictures and Sir Knight Joe Thelan will make the frames.

Although some secret pals have been heard from by the members, others have not and Mrs. Besie Jacobson would like everyone to remember their obligations. She also wishes to thank Ken Brookman, of 836 San Pablo Avenue on behalf of the members for his gift of a box of candy.

### Miss M. Haynke Sails For Hawaiian Islands

Kauai Island, one of the Hawaiian group and the most garden-like due to the fact that it has fewer lava deposits, will be visited by Miss Marjorie Haynke, who will sail on the S. S. "Malolo" tomorrow.

Miss Haynke, who resides at 813 San Carlos Avenue, and is employed at the Emporium as a commercial artist, is enthusiastic about that particular trip as she says the island, while not often visited, is noted for its canyon similar to the Grand Canyon, but on a smaller scale.

Before the liner leaves, about 25 friends will gather on deck for a cocktail party feting Miss Haynke.

She will make the Moana Hotel on Waikiki Beach her headquarters and from there will embark on many excursions. She plans to be gone three weeks.

Mrs. Celia Savio was authorized to select cups and saucers which will be the property of the Scouting Mothers of Troop No. 46, when that group met last Tuesday evening at the home of Mrs. Alice Marks, 713 Stannage Avenue.

Appreciation for their cooperation was expressed by members both to Mrs. Savio and to Mrs. Pearl Schaeffer, who has completed a quilt which will be used as a prize at the carnival to be held this fall.

The evening was spent making badges to be worn by the members and in a discussion of future events.

### Wallace Beery as "Old Soak" Comes to Albany

Headlining the Sunday and Monday program at the Albany Theatre will be "The Old Soak," the screen adaptation of the stage success by Don Marquis which brings Wallace Beery in one of his human characterizations as the title character.

Also in the picture are Una Merkel, Eric Linden, Judith Barrett, Betty Furness, Ted Healey, Janet Beecher, George Sidney and a host of other well known players.

The second feature is "California Straight Ahead," with John Wayne and Louise Latimer, a thrilling story of transcontinental truck racing. A color cartoon, a news and a pictorial complete the bill.

Currently showing is "Top of the Town," with Doris Nolan, George Murphy and Hugh Herbert. A gay musical offering with eight catchy songs featured, the film has been a big success wherever shown, according to Nell Crowley, manager of the local theater.

Also being shown is "A Doctor's Diary," with George Bancroft and Helen Burgess. Short subjects complete the program.

### Trio Bring Back 37 Catfish From Waters of Lake

The wonders of fishing in California's famed Clear Lake have been told over and over again by returning fishermen and various agencies in charge of publicity for the beautiful place, but E. L. Lindquist, 955 Stannage Avenue, maintains that it's absolutely true.

With his son-in-law, Frank Black of Berkeley, and his grandson, Billy Jacks, Jr., of this city, Lindquist spent a few hours up there last week and soon beheld a string of 37 good-sized catfish that the trio had caught.

First honors for the largest fish and the most went to the Berkeley man, he admitted, but he announced that his young grandson and he aided materially in swelling the total of fish landed.

L. F. Macdonald, local realtor, left Monday to spend a week with his family at Echo Lake, near Tahoe.

# Fans to See Max Baer in Action Aug. 18

The indefatigable Max Baer, fresh from foreign shores, will look over a pair of boxing gloves in the ring in Oakland Wednesday August 18.

Max will have an opponent Nash Garrison, the flashy San Jose heavy who looks better with each ring appearance and who is fast climbing to an equal poundage with Baer. Garrison scaled 197 pounds when he took the nod from Texas Clarence Dugan the other night.

The announcement that Max Baer would box in an Oakland ring comes as a bit of good news to lovers of boxing. Regardless of what Baer has done or what he has not done, the fact remains that he's one of the ring's outstanding magnets, a real drawing power, in the matter of attracting people.

Nor did Joe Herman, the affable little promoter, who still retains an enviable record for putting on matches that go the full limit, have a dish of peaches and cream to swallow when it came to arranging matters with Baer and his handler. Max got one "grand" for appearing in San Francisco the other evening and wanted \$1500 to show his recently acquired London tricks to the Oakland patrons. It is doubtful if Herman agreed to pay Baer \$1500, but it is rumored that Baer is to receive the largest amount paid to a boxer for a bout here in some time.

Anyway Max Baer will appear in the Oakland Auditorium ring Wednesday night, August 18th, and that settles that.

In addition to this remarkable bout between Baer and Garrison, there will be two 10-round main bouts. Sunny Jim McVey will clash with an opponent yet to be named while Wildcat Rowan, world's champion lightweight, will engage with that Stockton whirlwind again, Kid Ray. Both bouts are listed as 10-rounders. Arthur Gray will also be on the same card.

# Australians Are Expected At State Fair

Visit of between 50 and 100 Australian agriculturists at the State Fair at Sacramento, September 3 to 12 will be used for a study of agricultural methods on two continents.

This was announced by the Board of Directors and Secretary-Manager Robert Mueckler who disclosed that the official greeting to the Australian party will be given world wide significance through an international broadcast arranged by the National Broadcasting Company.

Jennings Pierce, manager of the Western Division NBC, has scheduled a broadcast of the National Farm and Home hour from the Fair Grounds, September 8, from 9:30 to 10:30 a. m. The fair management is constructing a broadcasting studio especially for this program when the Prime Minister of Australia, the Rt. Honorable Joseph Aloysius Lyons C.H., will send his greetings to America by short wave over NBC facilities and which will be rebroadcast from the fair. Welcomes will be expressed by Secretary of Agriculture Henry Wallace, from Washington, D. C., and by Governor Frank F. Merriam. Wallace will speak from his Washington office direct to the Fair. Members of the distinguished Australian party will discuss agriculture in Australia, in America, and then compare the two systems.

The Australian tour is under the direction of E. G. Ham, of Bendigo, who arranged the good will gesture when he visited the Pacific Coast last year.

Almost a month will have been spent by the visitors in study of Pacific Coast agriculture before they arrive at the fair. The broadcast will reach Mexico and Canada. The day has been designated as International Day and Pierce will be Chairman.

Mr. and Mrs. Allan Keim and daughter, Cynthia, returned from a vacation at Lake Tahoe last Friday.

# Newcomer in Mat Debut at Oakland Show

For the past week, Promoter Ad Santel and a group of friends have been camping out, cooking their meals over an open fire, and taking a few shots at the deer roaming in our nearby hills.

Santel returned Monday and went to work immediately on his wrestling card tonight at the Oakland Auditorium.

The main event will bring together, Pat Fraley, former Boston cop and Rudy Laditzi of New York. Time limit of the bout is set for two hours, three falls deciding.

Fraley started his wrestling career in high school and since that time has made a great hit with the fans from the Atlantic to the Pacific. He attended North high school in Boston. As a prep grappler, Fraley was undefeated. After graduating from high school, he went into the business in a bigger way and was considered one of the best amateur wrestlers around Boston.

Fraley is a real master when it comes to applying holds. His two favorites are the flying toe-hold and hammer-lock.

Laditzi is the type who likes action and plenty of it. His elbow slams have folded up many foes in jig-time.

Pierre Dusette, champion of France, meets Pat O'Shocker of St. Louis, in the 30-minute, one fall semi-final bout. For a time, O'Shocker was ruling main events at the Oakland arena. He formerly was the "Red Phantom."

Jack Gacek of Canada, faces Marshall Blackstone of New York, 30-minutes, one fall. Blackstone is sometimes called "the one man riot."

Jack Gradnovich of Pittsburg, meets Harry "Two-Ton" Jacobs of Los Angeles, in a 30-minute, one fall contest.

For the 30-minute, one-fall opener, Santel has signed Jack Holland of Hollywood and Bronco Valdez of Mexico.

## New Use for Rays of Sun Is Disclosed

In the sombre atmosphere of a physics laboratory, Nature has taken to designing patterns and color combinations for midday's gowns—and always in good taste.

Nearly a thousand Rosicrucians who attended the recent eighth annual AMORC convention in San Jose witnessed this phenomenon, told Mrs. H. M. Higley, 704 Carmel Avenue, on her return from the conclave.

Daily, the local woman said, delegates observed in the light laboratory of the order, rays of sunlight from a helioscope, (which moves so that the sun's beams may reflect from it in a fixed position) enter mathematically adjusted prisms where the colors were arranged according to their respective vibratory rays.

By slight changes of the prisms, a great many hues and shades were obtained, each in proper relationship to the others. In refraction mirrors the rays formed a magnificent array of geometrical patterns, pleasing to the eye and easily reproduced for commercial purposes.

The designs, infinite in number and entirely new to the fashion world, are being used by textile manufacturers in the study of natural color harmony and symmetry, she said.

The convention program included discourses on philosophic and scientific subjects in the Rosicrucian museum, and auditorium. Members from nearly every state, and from Canada and several other countries, were present. Administrative matters included the election of nine Grand Councilors of the philosophic order, representing as many different sections of North America.

### O. E. S. Members Enjoy Berkeley Garden Party

A cloudless sky, a warm day and a beautiful setting of green lawns flanked by rare and exotic plants all combined to make the garden party given by Mrs. Mildred Webster of 2339 Jefferson Street, Berkeley, on Wednesday afternoon, August 4, one of the most outstanding functions of the summer.

The members of the Thousand Oaks Sewing Circle were the guests and the afternoon was spent in sewing articles for a future bazaar and viewing the many species of tuberous begonias in the hostess' greenhouses.

Later refreshments were served outdoors by the hostess assisted by Mrs. Letitia Lightbody, worthy matron of Thousand Oaks Chapter, Eastern Star; Mrs. Betty Laird, president of the Sewing Circle and Mrs. Elsie Acheson.

Among those enjoying the hospitality were Mrs. Olive Fish, Mrs. Margaret Minor, Mrs. Jessie Cruickshank, Mrs. Katherine O'Brien, Mrs. Ethel Hickock, Mrs. Marie Martin, Mrs. Violet Betz, Mrs. Hattie Shepherd, Mrs. Ida Holt, Mrs. Roberta Vogel, Mrs. Helen Ferguson, Mrs. A. Pisani, Mrs. Mable Lyman, Mrs. Marion Herrick, Mrs. Lois Stanley, Mrs. Frankie Burger, Mrs. Marion Gibson and Mrs. Lillian Moore.

Mr. and Mrs. Harold F. Hexner and son, Billy, of 1005 Ramona Avenue, spent the week-end at the newly-purchased summer home of Mrs. Hexner's parents, Mr. and Mrs. W. R. Sharkey, in Happy Valley near Santa Cruz.

### Auxiliary Fetes Miss Marian Tardiff

As a gesture of friendship to Miss Marian E. Tardiff, who will embark soon for Honolulu where she plans to teach school, members and friends of St. Alban's Chapel Auxiliary gave her a handkerchief shower following their regular meeting held at the home of Mrs. Walter Kees, 1621 Oakview Avenue, on Wednesday afternoon, July 28.

Many lovely gifts and wishes of "bon voyage" were received by the honoree who is a former member of the Cornell School faculty and the daughter of Mr. and Mrs. Fred Tardiff of 509 Carmel Avenue.

Following an afternoon of informal entertainment, refreshments were served by the hostess assisted by Mrs. Thad Lee and Mrs. L. G. Slusser.

### Raymond Carsons Back From Trip to South

Much impressed by the gold-colored decorative scheme used in the buildings as well as the spacious, well-planned grounds and the mineral springs of Agua Caliente, was Mrs. Raymond Carson, who recently returned from a trip on the "Owl."

Two weeks previous, Mrs. Carson and her husband, who reside at 936 Masonic Avenue, left Albany for Los Angeles where they were the house guests of her sister, Mrs. Lillian Fell.

While there they made several motor excursions to places of interest, including one to Tia Juana. Mrs. Carson, who is convalescing from a long illness, declared that her health was much improved by the trip.

### A. J. Meyers, Guests Enjoy Four-Day Outing

Mr. and Mrs. A. J. Meyer of 806 Adams Street motored to Stockton last Wednesday for a four-day holiday, accompanied by Miss Helen Meyer of Bakersfield and Miss June Ahlgren of this city. On Thursday the party enjoyed a full day of swimming and hiking at Knights Ferry. They were joined on Saturday by Leo Meyer of Bakersfield and Carlton Butler and Emerson Ahlgren of Albany for a fishing party at Paradise Point.

The group returned to Albany that evening and Miss Meyer and her brother were guests of the local couple until last night when they left for home.

Among those out of town on vacations is Miss Norma Shaddall, Albany school nurse.

### Mother Hears From Son Visiting in Chicago

There's not a place in Chicago that Thomas Grant hasn't been, according to an enthusiastic letter recently received by his mother, Mrs. Andrew Grant of 722 Santa Fe Avenue.

He is at present the house guest of his uncle and aunt, Mr. and Mrs. Elmer Diers, whom he met when they made a trip to Albany last fall, and has had the experience of meeting his cousins, Dorothy and Jack Diers, for the first time.

As all his other cousins reside in Scotland he is making the most of the acquaintanceship and plans to extend his visit until his classes at Albany High School reopen.

Mr. and Mrs. P. A. Icaro and children of Albany, are visiting at the home of Rev. and Mrs. O. M. Temple—Lodi, (Calif.) Sentinel.

### Brownies Feted By Mrs. Randolph Crow

An outdoor dinner cooked on a grill in the backyard of their "Owl," Mrs. Randolph Crow, Ventura Avenue, followed by members of Packs Nos. 6 and 8, patented, wound up the summer of the Brownies last week.
